Re: Kaiser Chemicals Corporation  
Bonneville Plant

Dear Mr. Senior:

The Board of Oil, Gas, and Mining has approved the "Mined Land Reclamation Agreement" submitted on behalf of Kaiser Aluminum and Chemical Corporation, as a form of surety for reclamation on their Bonneville Plant.

This document fulfills the requirements of the Act and as a result final approval is hereby granted for the Bonneville Plant and its associated brine collection system to continue operations.

Enclosed is a copy of the signed agreement.

Very truly yours,

DIVISION OF OIL, GAS, AND MINING
